HAPPY HOLIDAYS FROM THE CARILION CLINIC FOUNDATION

This year has been a year of remarkable progress and impact. We launched the largest fund-raising campaign in Carilion's history, and thanks to your generosity, we surpassed every goal. Throughout the year, we hosted multiple fund-raising events—from intimate luncheons and elegant galas, to the fireworks display at Roanoke's Freedom Festival. Each event brought together people committed to a common cause—advancing cancer care for patients in our region.

2025 also included breaking ground on the Carilion Taubman Cancer Center, the very place where exciting research will lead to future breakthroughs. Today, we can see the building rising before our eyes. Each achievement has been guided by a single focus—supporting our friends, neighbors, and loved ones who are undergoing cancer treatment.

As we reflect on this year of significant achievements, we are grateful for your support of the Carilion Taubman Cancer Center, and for everyone who has contributed to make proton therapy a reality. Its impact will be felt across Virginia and neighboring states, as Roanoke becomes a destination for advanced cancer care.

Thank you for being part of this vision.

Warm wishes for a joyful holiday season,
Carilion Clinic Foundation Team
